

AUSTRALIAN ELECTRICITY SUPPLY INDUSTRY (ESI) SKILLS PASSPORT

Individual Application Form for Initial or Replacement Passport

The Australian ESI Skills Passport is issued to a person who:

a) holds a written authority issued by a Network Operator to access a Network; or

b) is required by a Network Operator to undertake tasks that require training specified in the Australian ESI Skills Passport

If you meet the above criteria and require an ESI Skills Passport please complete Parts **1**, **2** and **3** of this form.

The information you provide in this form will be entered into a database that will generate a unique number that will be recorded in your Passport prior to issue. If supporting evidence is required, your employer will be contacted by the issuing network operator.

When *all* fields are completed submit this form to the Network Operator nominated in Part 1 by selecting the button next to their name.

PRIVACY STATEMENT: Your personal information provided by you will only be used in the management of the Australian ESI Skills Passport and will not be used for any other purposes or distributed to any other persons and/or organisations without your written permission.

1
